Svar

Nedan följer ett urval av rapporter och webbsidor med information om HIV/AIDS-vård i Etiopien och Eritrea.

World Health Organization - Drug Regulatory Status Database

Database of registered medicines for the treatment of HIV/AIDS, malaria and tuberculosis in each country of the world. As a rule, medicines not registered in a country are not available in this country. Nevertheless, medicines listed in the database for a country are not necessarily available or affordable in that country.
