1. (SBU) Zoran Zaev, Vice President of opposition party SDSM and rumored next leader of the party, was arrested on 17 July along with five associates on charges of corruption and abuse of official position related to financial gains from a tender for a shopping mall in Strumica, where Zaev serves as mayor. While MoI officials presented us with details of the case against Zaev and his associates, the timing of the arrest and the conduct of the investigation raise questions about political motivations. SDSM and its "Sonce Coalition" partners have called the arrest politically motivated and have walked out of Parliament "until further notice." End Summary.
